Newly Released Video: ILPMP Overview

ILPMP / PMPnow Directors Attend National Association of State Controlled Substance Authorities Conference

National Association of State
Controlled Substances Authorities

Sarah Pointer, ILPMP Clinical Director (Right) and Jennifer Erickson, PMPnow Director (Left), attended the National Association of State Controlled Substances Authorities Conference (NASCSA) that took place October 23 -26, 2023 in Minneapolis, Minnesota.

The purpose of the National Association of State Controlled Substances Authorities is to provide a forum for the discussion and exchange of information and ideas, to develop, implement and monitor ongoing strategies and to curtail the abuse, misuse and diversion of controlled substances.

ILPMP Upcoming Conference Schedule

November

Nurse Practitioner Week Illinois Conference

November 18

Georgios Banquet Hall, 8800 W 159th Street
Orland Park, IL

Eric Huff, ILPMP Clinical Project Manager, (pictured above) and Jackie DeNardo, PMPnow Coordinator, (not pictured) represented the ILPMP booth on November 18th at the Nurse Practitioner Week Illinois Conference in Orland Park, IL.

Legislation Update

Public Act 103-0425

Exemptions/Waivers to E-Prescribing Mandate – All healthcare professionals who write prescriptions for controlled substances must, on **January 1, 2024**, provide those prescriptions electronically.

See **Exemptions/Waivers**

Public Act 102-1038

No individual or group policy of accident and health insurance amended, delivered, issued, or renewed after **January 1, 2024**, that provides coverage for naloxone hydrochloride shall impose a copayment on the coverage provided, except that this subsection does not

apply to coverage of naloxone hydrochloride to the extent such coverage would disqualify a high-deductible health plan from eligibility for a health savings account under Section 223 of the Internal Revenue Code.

Educational Resources

NEW Webinar: Continuing Medical Education

Benefits of a Designee

UNIVERSITY OF
ILLINOIS CHICAGO

College of Pharmacy

Webinar

- Describe the ILPMP program and registration process
- Explain how a prescriber can assign a designee
- Identify the capabilities and responsibilities of a prescriber and designee within the ILPMP
- Discuss the importance and benefits of assigning designee(s)
- 1.0 contact hour CME

Data Quality in Prescription Monitoring Programs

Take advantage of this **FREE** ACPE accredited educational opportunity providing 1 hour of continuing education for **pharmacists** and **pharmacy technicians**. This continuing education activity will provide insight into how pharmacy's data entry process affects prescription monitoring program data, clinical decision making, and downstream data analysis.

This activity is jointly provided by Talem Health and National Association of State Controlled Substances Authorities (NASCSA).

The SIU Opioid ECHO is coordinated by the Department of Psychiatry at SIU School of Medicine. The ECHO aims to create a network of trained providers who will improve access and care for patients with opioid addiction.

Project ECHO® (Extension for Community Healthcare Outcomes) is a movement to demonopolize knowledge and amplify the capacity to provide best-practice care for underserved people all over the world through three tenets:

1. MULTIPPOINT VIDEOCONFERENCING
2. BEST PRACTICES PROTOCOL
3. CASE-BASED LEARNING

BENEFITS OF THE OPIOID ECHO

- Earn up to 8 continuing education credits
- Present your cases to a panel of psychiatrists and addiction specialists
- Learn and interact with experts from your phone, computer or tablet. No need to travel!
- Discuss timely topics, including psychiatric comorbidity, tapering opioids, and pain management.

Funding provided in whole or in part by the State of Illinois, Department of Human Services.

OPIOID CURRICULUM OUTLINE 2024

November 15, 2023
Opioid Treatment Medication Essentials

December 20, 2023
Complications of Opioid Medications

January 17, 2024
Neurobiology of Addictions

February 21, 2024
Psychiatric Comorbidity Relevant to Opioid Addiction and Treatment

March 20, 2024
Pain Management and Alternatives to Opioids

April 17, 2024
Management Strategies for the Relapsing or Aggressive Patient

May 15, 2024
Compassionate Opioid Tapering

June 5, 2024
Foods and Nutrition Related to Opioids

CONTINUING EDUCATION

As a participant, you will receive 8 (1 hour) sessions at no cost to you or your organization. Each session will include a short didactic on a specific topic related to opioids, a case presentation, and a discussion and recommendations on the case. The number of credits is dependent on the number of sessions attended. ACCREDITATION: Southern Illinois University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medication education for physicians. CREDIT: The Southern Illinois University School of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with their participation in the activity. SIU School of Medicine is preapproved as a continuing nursing education provider according to Section 1300.1B0, subsection c), 1), B), and P) of the Illinois Department of Financial and Professional Regulation Nurse Practice Act. Nurses may receive a maximum of 1.0 contact hour for completing this activity. SIU School of Medicine is a licensed provider for continuing education for nursing home administrators (license #139-000027), social workers (license #159-000106), clinical psychologists (license # 268-000008), professional counselors/clinical counselors (license number 197-000073), and dietitians/nutrition counselors (license #199.000121). This program offers a maximum of 1 CE hour (per session attended).
